Bureau of Plant Industry

Postmaster. If not delivered in 5 days return to JAMES VICK'S SONS. Rochester, N. Y., return postage guaranteed.

OUR FALL BULB BUSINESS is increasing rapidly, due to just two things, - the excellent quality of the bulbs we import and the superior service we give with each order. Not only are our regular customers giving us larger orders, but we are getting an increasing trade from florists, nurserymen and dealers who are finding that they can buy first class bulbs at lower prices and with more satisfactory service than by importing direct.

REMEMBER, our prices cover a lot of little charges and several big ones which are never mentioned by the Holland growers, - foreign freight and harbor transfers, insurance, inspection, ocean freights, duty, lighterage, etc. In fact, our prices cover everything, f. o. b. Rochester, unless the duty is increased before the bulbs are received, in which case a revision of prices will be necessary.

THEREFORE, you can make a substantial saving by sending your order so that it may be included in our advance shipments. Remember, if we can get your order soon, you will receive your bulbs early. It is more important this year than usual to get all our orders in the hands of our growers within the next few weeks. You have everything to gain and nothing to lose by placing your order now. We have received private advices that there is likely to be a shortage before the shipping season ends. Consequently, we urge you to send your order at once.

TO TAKE ADVANTAGE OF THE PRICES, it will be necessary for you to send your orders immediately, so that we can forward all our orders to our growers as soon as possible, to allow them time to arrange for shipment in due season. Bulbs are packed as follows: Hyacinths, 100 per bag. Tulips and Nacissus, 250 to 500. Crocus, 500 to 1000. In quantities less then 250 of any variety of Tulips, Narcissus and Crocus or less than 100 of any variety of Hyacinths, add 25c. per hundred to the price quoted herein. These prices are subject to immediate acceptance and withdrawal without notice and all orders are subject to our confirmation on the receipt of same. Terms: 2% 10 days from date of invoice. Net 60 days. Our regular fall catalogue will be issued as usual but higher prices, will, of course, prevail. If, however, any of our prices at a later time are reduced, we will give you the benefit of the reduction. If you want varieties not listed here, send on your order and we will procure the stock especially for you.

IN THIS CIRCULAR you will also find a list of Perennial and other flower seeds. Remember, we are specialists in flower seeds of all kinds. The list given here is only a partial one of what we offer in this line. We shall be glad to quote on anything that is not shown here upon request.

Better make up your order at once for your fall requirements of bulbs, as well as flower seeds and plants.

Prospect, Ohio, May 18, 1922.

We wish to say that we have received many compliments of the bulbs we sold last fall and many people are placing their orders for next fall. We believe in passing a good thing along and so we will say to you that we never handled a finer set of bulbs than those we received from you last fall.

M. O. Harmon & Co.

MISCELLANEOUS BULBS FOR FORCING

NARCISSUS

Paper White Grandiflorus

These bulbs come from France where they have had a very unsatisfactory growing season. First the crop was severely damaged by frost and then it stood for nearly its entire growing season through a drought so that all bulbs will be very scarce, especially the larger sizes. The prices will not be fixed until after harvest so that those who wait on prices are almost sure to be disappointed in getting this stock. If you let us have your order now we will secure the best possible prices and notify you before shipment what these prices are. Early placed orders will have preference over those placed at a later date.

CALLA LILIES Dry Bulbs

Superior for forcing. Our bulbs are thoroughly ripened and come direct from one of the largest growers in the world. We have a very select stock of bulbs, 4 to 5 inches Circumference which we offer at $2.50 per dozen or $18.00 per hundred. Mammoth bulbs, 5 to 6 inches Circumference, dozen, $2.75; 100 $20.00.

FREESIA PURITY

This variety has taken the place of Freesia Refracta Alba and is far superior to it. These bulbs can easily be brought into bloom for Christmas by early planting and always find ready sale. First size, ½ to ⅝ per dozen 50 cents; per 100, $1.75; 1000, $15.00. Extra choice ⅝ to ¾, per dozen, 60 cents; per 100, $2.25; per 1000, $20.00.

VICK'S SUPERIOR LILIES

LILIUM HARRISII

The best early forcing stock for florists 7 to 9-inch. Open price.

LILIUM FORMOSUM

The best early Lily of the Longiflorum type to follow Harrisii. 7 to 9-inch (300 to a case). Open price.

LILIUM GIGANTEUM

The best of all the general purpose lilies and true blue stem stock

6 to 8-inch 7 to 9-inch Open price

LILIUM CANDIDUM

This variety is sometimes called the Annunciation Lily. Good for forcing, also used for outdoor planting. Its snowy white flowers are borne aloft by long, slender stems. Unsurpassed in stateliness and beauty for outdoor culture. Supply very scarce, we are booking orders at open prices and preference will be given to early orders. Prices to be named as soon as they are fixed.

Prices have not yet been fixed on Lily stock and it is impossible for us to get these prices from our growers until the stock is dug, so that it will be about September 1st before we know definitely what the Formosums and Giganteums will cost us, although we will have Harrisii prices in August. In order to be sure of getting just the stock that you want let us have your orders immediately at open prices and we will notify you before shipping what the prices will be and you may accept or reject them as you see fit. We will give you the very lowest prices that can be secured.

Unless otherwise expressly specified all offers are made subject to immediate acceptance and stock remaining unsold on receipt of order; f. o. b., Rochester; bags or boxes extra at cost; terms net. We give no warranty, expressed or implied, as to purity, description, quality, productiveness or any other matter of any seeds, bulbs or plants we send out, and will not be in any way responsible for the crop. We decline responsibility for delays or failure to fill orders when such delays or failures are caused by reasons beyond our control, such as strikes, fires, damage by flood, or other losses. All others are subject by confirmation by us on receipt of acceptance.
